

## **WORK CREW SPONSORSHIP**

One of the beautiful things about band is that many hands can make lifting light. With over 150 students available to help, the RHS Bands can become a mighty workforce. If you have a short-term, high-impact job that needs to be done, consider putting our crew to work for you today. Call us and let's talk it through.

Students who directly participate in work crews earn money in their individual accounts which can be used for a variety of extra expenses associated with participation in the programs. This function teaches the basics of being an adult and having the ability to chart your own course in life.

During 2019 and 2020 Roseburg High School Bands poured fountain drinks at the fair, held summer car washes, played music at local restaurants, entered data and knocked on lots of doors selling various fundraising items. The band knows how to work and how to handle themselves in public, so don't hesitate to consider us for your job.

## **COMMUNITY SPONSORSHIP OPPORTUNITIES**

As an organization we understand that many of our students have a variety of needs to create a fulfilling, learning experience. Given that, we have decided that the opportunities to sponsor our band needs to be multi-faceted as well. Below you'll find an overview of the options that we feel represent the current and future needs of the Roseburg High School Bands. That being said, if there's a way that you feel needs further consideration, please contact me or any of our board members at (541) 954-4589.

### **WORK CREW SPONSORSHIP**

One of the beautiful things about band is that many hands can make the lifting light. With over 150 students available to help, the RHS Bands can become a mighty workforce. If you have a short-term, high-impact job that needs to be done, consider putting our crew to work for you today. Call us and let's talk it through.

### **CORPORATE SPONSORSHIP**

With literally thousands of messages hitting consumers each day, business owners should consider just how valuable band sponsorship can be. Each member of our band and their families will remember those businesses that supported them in a way that can endure for a lifetime. Band sponsorship comes in many sizes to fit a wide variety of budgets, and every one of them is appreciated and promotable to the public.

### **SCHOLARSHIP SPONSORSHIP**

The Roseburg High School Band Performers' Fund is designed to meet the cost of discretionary spending by the Band Director. This includes students who have special needs, instrument maintenance and replacement, and any ongoing circumstances to be managed in an internal fashion.

### **ENDOWMENT SPONSORSHIP**

The RHS Band Endowment Fund offers a permanent source of income for meeting major band needs. Uniform replacement is a costly requirement of fielding the "Pride of Roseburg." Careful handling and ongoing maintenance extends life, but eventual replacement is a certainty.

## STUDENT SPONSORSHIP

The Roseburg High School Band Performers' Fund provides the Director of Bands with some flexibility in responding to unexpected needs and in taking advantage of unanticipated opportunities for students. Gift dollars are immediately available for use, supporting expenditures that enhance and benefit the learning experience when no other source of funding is available.

The reality is that some students socio-economic status can create barriers for participation in band activities on many levels. Clothing, food, travel and other basics are more than some households can fully bear the weight of in today's mixed economy. Some instruments can cost upwards of \$6,000 for new purchases, and repairs are an eventuality as well.

The Roseburg High School Band Performers' Fund is designed to meet the costs of discretionary spending by the Band Director. This includes students who have special need, instrument maintenance and replacement, and any ongoing circumstances to be managed in an internal fashion.

**OUR GOAL: EARN \$20,000 FOR DISCRETIONARY SPENDING BY THE DIRECTOR.**

Put our band on your team. Call Branden Hansen at (541) 954-4589 today

Dear Community Leader,

The Roseburg High School Band Parents would like to thank you for your support of our community and ask you again to give to the greater good.

The RHS Band system has become a wonderful point of pride for Douglas County and continues to make a difference in the lives of the students who participate in its programs. During the 2019-2020 academic year, the band program received many accolades, including top placements by ensembles and individuals at numerous statewide and regional competitions. Those honors are great and support our concepts of pride in education, but none of them are as important as the long-term effects of participation in the community that is band itself.

The ideals brought forward by band participation pay dividends not only to each member of the band, but also to our community as a whole. Band teaches critical thinking, communication, collaboration and creativity. Students who participate in band report the lowest lifetime use of alcohol, tobacco and illicit drugs. And, from a future workforce point-of-view, band members have increased performance, reduced absenteeism and better skill-building traits.

When we come together as a community, we can do greater things for today and our collective tomorrows. Please consider the materials in this guide as a way for you to join the band and make a difference in the lives of large contingency of students. I would welcome the opportunity to discuss the impact that your gift could have on our programs. Please feel free to contact me directly at (541) 954-4589

Sincerely,

Branden Hansen, Director
